[Large Appliance Pick-up](#)

### **Holiday Schedule**

Refuse will be picked up once per week on a regularly scheduled collection day except when collection is interrupted by a [legal holiday](#) . When this occurs, all residents shall place refuse out for collection one (1) day later or their usual collection day for the entire week. This includes residents whose collection day is Friday putting refuse up for Saturday pick-up.

### **What can not go out with my trash?**

1. No hazardous waste. Please see list of [Hazards Products](#) (PDF).
2. No Renovation or construction debris. Have contractor haul away or contact permitted private waste hauler.
3. No paint except for cans of latex that are dried out with covers off.
4. Propane tanks.

5. Tires.

If you need to report a trash or recycling violation [click here](#) to go to our Requests/Comments page and choose "Trash Collection" or "Recycling" from the drop down.
